Eye spy beautiful eyewear

Wearing glasses need not be boring. With such a wide range of brands and styles on the market, people can now express their personality through designer eyewear and sunglasses.

Naked Specs is helping people up their style game with stunning designer eyewear and sunglasses. As an independent, family-owned optical dispensing business, Naked Specs offers great advice and good old-fashioned customer service that is second to none.

The team from Naked Specs are delighted to be exhibiting at Dowerin Field Days this year.

"Many of our customers have come to our Fremantle store from regional WA over the past two years and told us, 'You have to take your amazing eyewear to Dowerin'," said Naked Specs owner Justine Levin.

"So this year we are coming with the full team of optical engineers and dispensers and our range of fabulous eyewear."

All prescription lenses are made and fitted in Perth, with Naked Specs also being a multi-focal specialist. "After fitting you with some stunning frames, we will take your measurements and have the lenses made in Perth by our partnering optical laboratory, which makes and fits some of the best lenses in Australia," Ms Levin said.

Naked Specs is registered with all of the major health funds, so customers can claim their optical benefits with a health fund-compliant receipt. "We love what we do and are known for our passion, energy and enthusiasm. We have built a strong reputation by offering fabulous and affordable designer eyewear," Ms Levin said.

Naked Specs is the exclusive online retailer and biggest stockist of iconic Paul Taylor Eyewear, both in Australia and globally.

HOW IT WORKS AT FIELD DAYS

Bring along a valid eye test, completed within the past one to two years, and the team from Naked Specs will do the rest. If you do not have a copy, not to worry – the team can contact your optometrist on your behalf.

"We can take your look from ordinary to extraordinary with a beautiful range of eyewear, available with or without prescription lenses," Ms Levin said.

The range includes eyewear from Australian designer Jono Hennessy, Carter Bond, UK designer William Morris, French designer Caroline Abram and US designer Betsey Johnson. A selection of beautiful handmade French eyewear is also available.

Naked Specs is located at Shop 43, Fremantle Markets. For more information, contact Justine Levin on 0415 549 649 or justine@nakedspecs.com.au.
